Please fill out the following and submit as part of your application submission package.

1. Narrative: Please give us a single paragraph describing your proposed HBB including what services or merchandise your business provides and who your customers are:

2. Will clients be visiting your home?

- No (strictly a home office)
- Yes (must go through public consultation PDAC process, an additional on-site parking stall addition to the home's required stalls is required, may indicate the business is more appropriate in a commercial district)

3. Are there any employees associated with your proposed Home Based Business?

- No
- Yes, and they live within my home
- Yes, and they do not live within my home (employees not living in the home may indicate the business is more appropriate in a commercial district)

4. Are there any other home-based businesses operating from your home, including Private Home Accommodation?

- No
- Yes, and if so please describe your other home based business(es):

(limitation of only 1 HBB involving client visitation)

5. Is there a vehicle associated with your proposed Home Based Business?
- No
  - Yes (an additional on-site parking stall addition to the home's required stalls is required)
6. Will there be any storage associated with your proposed Home Based Business?
- No
  - Yes (storage must be included in the maximum gross floor area (10%) calculation, storage must be within the living unit and not in the garage or yard)

I confirm that the above information will be used to ensure the proposed Home Based Business meets the requirements and that any change in the above information must be communicated to Parks Canada as it may void the Parks Canada Discretionary Permit.
